

**Women's Ohio State Golf Association
Pace of Play Policy
Marion Country Club**

Slow Play: A player will be subject to penalty if they delay play or contribute to causing their group to delay. A group that is out of position and behind the established pace of play will be warned **once** by an official. In order to be out of position, the players must be in violation of the following: A) When the following group reaches the tee of a par 3 hole and the preceding group has cleared the next tee, B) When the green on a par 4 is clear and the following group has not left the tee, C) When a group on a par 5 has reached the putting surface and the following group has not left the teeing ground. When a group continues to be out of position and behind the "time par", the group will be timed under the following guidelines.

40 seconds is the time allotted for each shot for a player out of position. Ten seconds extra is permitted for the first to play on par 3s, first to hit second shots on par 4s and 5s, and the first to play from on or near the green. *Players will **not** lose their bad time even if the group regains its position.*

The timing of a player's stroke will begin when they have had reasonable opportunity to reach their ball, it is their turn to play and they can play without interference or distraction. Any time spent determining yardages will count as part of the time taken for the stroke, except on the putting green. On the putting green, timing will begin after a player has been allowed a reasonable amount of time to lift, clean and mark their ball, repair their ball mark and remove any loose impediments on their line of putt. Time spent looking at the line from beyond the hole and/or behind the hole will count as part of the time taken for the stroke.
