Dear Members and Directors,

Thank you for your Club’s continued support of the Women’s Ohio State Golf Association (WOSGA). Your \$75 membership fee supports WOSGA’s four women’s state golf championships and one international team tournament – the State Amateur, Mid-Amateur, Ohio Junior Girls, State Senior, and the Cosmopolitan four ball. The WOSGA is run by volunteers making your donation a contribution to tournament operations. We thank you, and the players thank you!

**WOSGA is looking for a host site for the 2023 Mid-Amateur.** The Mid-Am is a two-day stroke play event with an expected field size of 16 to 36 players (past events had closer to 16 contestants). The age group is 25 years and older. We plan for a practice round the day before the event and may include a social on the first day after the round. We will have lunch for the players after the final round. Contact Shirley Vaughn at 330-639-8274 or email her at [contact@wosga.org](mailto:contact@wosga.org) if your Club is available to host this small field tournament in 2023 or future years.
