

2005

Jeanne Flockenzier

Golf has been very good to Jeanne and her family and is truly appreciated by them. And Jeanne has been very good for amateur golf. Jeanne first became associated with the WOSGA in 1964 and has been involved with the organization in some way, ever since. Lena Brundage, the long-time Executive Director of this organization chose Jeanne to succeed her in the position she held until 1987.

She is one of the founders of the Richland County Golf Association and is still serving in any capacity where there is a need. Jeanne started the Forever Young Tournament in 1992. Both tournaments are still continuing today. She has served as President of the Cleveland District Golf Association.

Jeanne continues to work for and play golf, both in Ohio and in Florida. Her personal golf championships include fifteen Westbrook Club Championships, nine Richland County Championships, four Palm Beach County Super Seniors Championships, and four Delray Senior Championships. Jeanne continues to assist at the Ohio Junior Girls' Championship at Marion Country Club and helps others enjoy the wonderful game of golf.
